2 SUBSCRIPTION

2.1 Order Mechanism. Each Subscription will be obtained solely by execution or acceptance of an Order. Pursuant to execution of an Order and subject to the terms and conditions of this Agreement and Customer’s payment of all applicable Fees, OutSystems will provide the Subscription to Customer specified in the Order during the Subscription Term. Customer may order multiple Subscriptions by executing additional Orders. Each Order is deemed to be a discrete contract, separate from each other Order, unless expressly stated otherwise in the applicable Order. Orders may be entered under this Agreement by and between (a) OutSystems or an Affiliate of OutSystems; and (b) Customer or an Affiliate of Customer. For the avoidance of doubt, in the event Customer accepts an Order by submitting a purchase order, then regardless of whether OutSystems acknowledges, accepts or performs under such purchase order, OutSystems expressly rejects any terms on such purchase order that are additional to, or inconsistent, with the terms of this Agreement or the applicable Order.

2.2 Subscription Term. The Subscription ordered by Customer shall commence on the start date specified in the applicable Order and continue in effect until the end date specified in the applicable Order (the “**Initial Subscription Term**”). For Initial Subscription Terms which are committed for multiple years, each individual committed year may be listed as a separate line item in the applicable Order for administrative convenience only. Except as otherwise specified in the applicable Order, the Subscription Term shall automatically renew for additional periods equal to the Initial Subscription Term (each, a “**Renewal Subscription Term**”), for the same product configuration and quantity then in effect, at the renewal Fees set forth in the applicable Order, or if no renewal Fees have been agreed in the applicable Order, those set forth in the renewal notice sent to Customer at least 60 days prior to the end of the then-current Subscription Term, unless either Party gives the other Party notice of non-renewal at least 30 days before the end of the then-current Subscription Term.

2.3 Upgrades. If a New Software Version is released during a Subscription Term, and Customer has paid the Fees, the New Software Version will be made available by OutSystems to the Customer.

OUTSYSTEMS MASTER SUBSCRIPTION AGREEMENT

3 LICENSE

3.1 License. Subject to the terms of this Agreement and the applicable Order, OutSystems grants Customer a limited, non-exclusive, non-transferable license, without rights to sublicense, to use the Software during the Subscription Term, for the sole purpose of building Applications for Customer's own business processes, including access by internal users and external users. If Customer has ordered a copy of the Software for self-managed download and installation, OutSystems also grants Customer, during the Subscription Term (i) the right to install the Software on servers it manages, and (ii) the right to make one copy of the Software solely for backup purposes. OutSystems further grants Customer the right to make copies of the Documentation solely for Customer's internal business purposes. OutSystems retains all rights not expressly granted to Customer in this Agreement. The scope of the license remains subject at all times to the Subscription Compliance Terms.

3.2 Restrictions of Use. Unless otherwise authorized under this Agreement or with OutSystems' prior written consent, Customer may not (and will not allow any third party to): (i) modify, translate, export, migrate, or adapt the Software; (ii) create derivative works based on the Software for any purpose other than developing Applications deployed under a Subscription; (iii) remove or modify any Software markings or any notice of OutSystems' Intellectual Property Rights; (iv) install or use the Software in a manner that circumvents or interferes with the operation of the technological measure that controls access to or measurement of use of the Software; (v) use the Software to provide third party training or for the purpose of building or operating a competitive product; (vi) disclose results of any Subscription benchmark tests to any third party; (vii) deploy or operate any Applications in production using a non-production environment; or (viii) use the Software in any way that violates applicable law or the terms and conditions of this Agreement. Unless Customer and OutSystems have agreed to additional terms to this Agreement in an Order or addendum to this Agreement, Customer may not (and will not allow any third party to), with respect to any Applications deployed under this Subscription: (ix) provide, disclose, divulge or make available to, or permit use of the Software in whole or in part by, any third party or any third party software or tools, other than those that support Customer with developing Applications; (x) sell, rent, lease, license, sublicense, distribute, offer as a paid or free subscription, or include in a service bureau or outsourcing offering, such Applications; or (xi) develop, test, host, or run and operate such Applications on behalf of third-parties to this Agreement. Except to the extent expressly permitted by applicable law, Customer may not decompile, disassemble, reverse engineer, or otherwise attempt to derive source code from the Software, in whole or in part.

3.3 Manner of Use. If OutSystems receives information that Customer is in violation of any of the foregoing restrictions, OutSystems will notify Customer and Customer will promptly take appropriate action to resolve such violation. If Customer does not take the required action in accordance with the above, OutSystems reserves the right, but has no obligation, to take remedial action. OutSystems shall have no liability to Customer in the event that OutSystems takes such action.

3.4 Customer Content and Applications. As necessary for OutSystems (i) to provide Customer with the Support and Updates; and (ii) to operate, manage and improve OutSystems' product offerings, Customer grants to OutSystems the right and a license to access, host, copy, process, transmit and display Customer Content and Applications in accordance with this Agreement and limited to such purposes only.

4 PROFESSIONAL SERVICES

4.1 Scope. Upon request and execution of an Order, OutSystems shall provide Professional Services to Customer as detailed in the applicable Statement of Work. Unless otherwise stated in the applicable Statement of Work, all Professional Services will be provided remotely, during normal business hours, under a single time zone selected by the Customer before the commencement of the Professional Services.

4.2 License to Professional Services Tools. Subject to the terms of this Agreement and the applicable Statement of Work, OutSystems grants Customer a limited, non-exclusive, non-transferable license, without rights to sublicense, to use the Professional Services Tools during the Subscription Term and, where applicable, after Customer's exercise of its Detachment rights in Section 8.4(ii) of this Agreement, for the sole purpose of Customer's use of the applicable Deliverables.

4.3 Expenses. If a Statement of Work states that Professional Services will be provided on-site, then in addition to the Fees in the

applicable Order, Customer will reimburse OutSystems for all reasonable costs and expenses related to the provision of the Professional Services, including without limitation travel, lodging, meal and out-of-pocket expenses ("Expenses") as further detailed in the applicable Statement of Work. Expenses shall be invoiced by OutSystems as stated in the Order and paid by Customer in accordance with the terms of the Agreement.

4.4 Changes. Any changes or additions to the Professional Services, including scope, Fees and/or Expenses, will only be valid if agreed in writing by both Parties.

4.5 Cooperation. Customer will cooperate reasonably and in good faith with OutSystems in the execution of the Professional Services by, without limitation: (i) allocating sufficient resources and timely performing any tasks reasonably necessary to enable OutSystems to perform its obligations under each Order; (ii) timely delivering any materials and other obligations specifically required under each Order; (iii) timely responding to OutSystems' reasonable inquiries related to the Professional Services; (iv) actively participating in relevant scheduled meetings; and (v) providing information, data and feedback that is complete, accurate and timely in all material respects.

4.6 Acceptance Criteria. If a Deliverable is specified in an applicable Statement of Work, that Deliverable will be deemed accepted on delivery, unless acceptance criteria and an acceptance testing process are defined in the applicable Statement of Work.

4.7 Provision of Professional Services to Third Parties. OutSystems is in the business of providing products and consulting services to third parties which are or may be substantially similar to the Deliverables being developed for Customer. OutSystems is free to use all of OutSystems' ideas, know-how, approaches, methodologies, concepts, skills, tools, techniques, expressions, and processes, irrespective of whether possessed by OutSystems prior to this Agreement, or acquired, developed, or refined by OutSystems during the execution of the same ("Residual Knowledge"). It is not the intent of this Agreement to prevent OutSystems from pursuing its stated business by independently creating original but similar works for the benefit of third parties provided that OutSystems does not use or disclose Confidential Information or Customer Content. Such retention of Residual Knowledge shall be unaided and unintentional.

5 FEES AND PAYMENT TERMS

5.1 Fees. Customer will pay to OutSystems, without deduction, the Fees set forth in the applicable Order. Fees listed in an Order are exclusive of all applicable sales taxes, value-added tax, duties, or any similar fees imposed by applicable law. Customer will pay or reimburse OutSystems for all applicable taxes, duties, or any similar assessments imposed by applicable law incurred on the Order (except for OutSystems' income taxes) and such taxes, duties, or any similar assessments shall be charged at the appropriate rate by OutSystems in addition to its stated Fees and shown separately on the relevant invoice.

5.2 Payment. All Fees are payable to OutSystems and due within 30 days from the date of the corresponding invoice or as otherwise set forth in the applicable Order, except that online purchases shall be due at time of purchase, in the currency specified in the applicable Order. Except as otherwise stated in this Agreement, all Orders are non-cancelable and, upon payment, all payments are non-refundable.

5.3 Disputes and Overdue Payments. In the event Customer has a reasonable, good faith basis for disputing the Fees due on the basis of OutSystems' failure to perform its obligations under this Agreement, Customer must notify OutSystems of any such disputed Fees on or before the applicable invoice due date and may only withhold payment of that portion of the Fees for which it has a reasonable, good faith basis for dispute. Customer acknowledges and accepts that the non-payment of any undisputed Fees within the term defined in the applicable Order constitutes a material breach of this Agreement and that OutSystems shall have the right to: (i) upon 30 days prior written notice, suspend Customer's right to access or use any portion or all of the Software and/or the Professional Services, and/or the provision of Support and Updates by OutSystems, until all such due and undisputed amounts have been paid; and/or (ii) exercise its right to terminate this Agreement under Section 8 ("Term and Termination").

6 INTELLECTUAL PROPERTY RIGHTS

6.1 OutSystems' Intellectual Property. All Intellectual Property Rights in and to the Software and Professional Services Tools are owned by OutSystems. Customer shall not acquire any proprietary right, title or interest in or to any Intellectual Property Rights in the Software or Professional Services Tools. All rights not expressly granted by OutSystems in this Agreement or the applicable Order are reserved.

6.2 Permitted Third Party Access to OutSystems' Intellectual Property. Customer may provide access to the Software and Professional Services Tools to its agents, consultants, and/or third-party software implementation partners ("Authorized Third Parties") solely to assist Customer in developing Applications for Customer's use within the scope of the applicable Order. Customer shall be responsible and liable for all acts and omissions of Authorized Third Parties in connection with their access and use of the Software and Professional Services Tools. Customer shall ensure that Authorized Third Parties comply with the terms and conditions of this Agreement and any such use shall be

OUTSYSTEMS MASTER SUBSCRIPTION AGREEMENT

deemed to be used by Customer. The terms of this Section do not grant any right to sublicense the Software or the Professional Services Tools.

6.3 Customer's Intellectual Property. All Intellectual Property Rights in and to Applications and Customer Content are owned by Customer, and shall, subject to the terms of this Agreement, remain vested in Customer. Unless otherwise expressly provided in this Agreement, OutSystems shall not acquire any proprietary right, title or interest in or to any Intellectual Property Rights in Applications. Subject to the terms and conditions of this Agreement (including the payment of all agreed Fees and Expenses), Customer shall also own all Intellectual Property Rights in the Deliverables.

6.4 Usage Data. The Parties agree that OutSystems and its Affiliates may collect and use Usage Data internally for statistical purposes, for troubleshooting, to improve OutSystems' product offerings, and for compliance verification. The confidentiality obligation set forth in Section 7 ("Confidential Information and Personal Data") shall apply to the collection and use of such data.

6.5 Suggestions, Ideas and Feedback. Customer and its Affiliates, and their respective employees, contractors and other agents, may, in their sole discretion, choose to provide suggestions, ideas and/or feedback (collectively, "Feedback") to OutSystems with respect to the Subscription. OutSystems may use the Feedback perpetually and irrevocably for the purpose of improving its products and services, without compensation or accounting to Customer, provided that the Feedback (i) does not contain Personal Data, (ii) does not contain Confidential Information of Customer, and (iii) does not identify Customer as the source of the Feedback. Any Feedback is provided by Customer "as is" without warranty of any kind.

7 CONFIDENTIAL INFORMATION AND PERSONAL DATA

7.1 Use and Disclosure. During this Agreement and for a period of three years following its termination, each Party shall hold in confidence and not use for any purposes unrelated to this Agreement or disclose to any third party (except the Party's employees, agents or contractors who have a need to know and who are subject to confidentiality obligations at least as restrictive as those in this Agreement) any Confidential Information of the other Party. Each Party agrees to take all reasonable steps to ensure that the Confidential Information is not disclosed or distributed by its employees, contractors, or agents in violation of the terms of this Agreement.

7.2 Permitted Disclosures. Either Party may disclose Confidential Information of the other Party: (i) in response to a valid order or request by a court or other governmental or regulatory body, (ii) as otherwise required by law, or (iii) as necessary to establish the rights of either Party under this Agreement. The Party seeking to disclose information will promptly give notice to the other Party and allow the other Party to object or to seek a protective order, to the extent permitted by the applicable law.

7.3 Non-Confidential Information. The Parties shall not be obligated under this Section 7 with respect to Confidential Information that: (i) is or becomes a part of the public domain through no act or omission of the receiving Party; (ii) was in the receiving Party's lawful possession without restriction prior to the disclosure and had not been obtained by the receiving Party either directly or indirectly from the disclosing Party; (iii) is lawfully disclosed to the receiving Party by a third party without restriction on the disclosure; or (iv) is independently developed by the receiving Party without access to the Confidential Information.

7.4 Destruction or Return. Except as otherwise authorized or required in furtherance of the purposes of this Agreement, promptly upon a request by the disclosing Party, the receiving Party will at its option either destroy, and certify destruction in writing, or return to the disclosing Party all Confidential Information and all documents or media containing any such Confidential Information and all copies or extracts thereof provided that the receiving Party shall be permitted to retain copies of any computer records and files containing any Confidential Information which have been created pursuant to automatic archiving and back-up procedures, or retain a back-up copy of such Confidential Information as required by law, rule, regulation or internal compliance policies, in which cases such Confidential Information shall continue to be subject to confidentiality obligations even after termination of this Agreement.

7.5 Personal Data. In the event OutSystems has access to Personal Data through the execution of this Agreement, it shall act as Customer's data processor for the processing thereof, and shall process any Personal Data at all times in full compliance with the applicable data protection laws. The Parties agree that such processing shall be carried out in accordance with the data processing agreement as defined at <http://www.outsystems.com/legal/master-subscription-agreement/data-processing-agreement>, incorporated by reference into this Agreement, which the parties hereto agree to be binding upon them and that, within its scope, shall prevail over the Agreement.

7.6 Artificial Intelligence Features. The Software contains features that utilize artificial intelligence models for the sole purpose of facilitating Customer's development and maintenance of Applications using the Software (the "AI Features"). OutSystems does not use or retain Customer Content or Confidential Information of Customer to train or fine-tune these AI models. For AI models licensed from third-parties,

OutSystems has an enterprise agreement in place with such third parties to ensure that data from OutSystems and its customers cannot be used to train or validate their models. From time to time, OutSystems may use OutSystems Markup Language (OML), a low-code abstraction layer created by the Software for generating and maintaining Applications, to train and validate its AI models. Customers may opt-out of the use of OML for AI model training. OutSystems has established an AI governance process to oversee the development and operation of AI Features in accordance with industry best practices. OutSystems warrants that it has implemented and maintains commercially reasonable safeguards designed to monitor, evaluate, and mitigate risks associated with the AI Features. Because all AI Features are only used to support the Customer's software development lifecycle, none of the AI Features are "high-risk" under the EU AI Act or other applicable laws. In addition, none of the features require the processing of personal information or otherwise impact the rights of individuals. Customer acknowledges that the AI Features utilize inputs provided by Customer, and Customer is advised to review outputs of the AI Features for accuracy and appropriateness.

8 TERM AND TERMINATION

8.1 Term of Agreement. Unless earlier terminated pursuant to Sections 8.2 ("Termination for Cause") or 8.3 ("Termination for Insolvency"), this Agreement commences on the Effective Date and continues in force until all Orders executed in accordance with this Agreement have expired or been terminated.

8.2 Termination for Cause. Either Party will have the right to terminate this Agreement immediately upon written notice at any time if the other Party is in material breach of any warranty, material term, or covenant of this Agreement and fails to cure that breach within 30 days after written notice of that breach.

8.3 Termination for Insolvency. Either Party may terminate the Agreement immediately if the other Party (i) is dissolved or liquidated or takes any corporate action for such purposes; (ii) becomes insolvent or is generally unable to pay, or fails to pay, its debts as they become due; (iii) files or has filed against it a petition for voluntary or involuntary bankruptcy or otherwise becomes subject, voluntarily or involuntarily, to any proceeding under any domestic or foreign bankruptcy or insolvency law; (iv) makes or seeks to make a general assignment for the benefit of its creditors; or (v) applies for or has appointed a receiver, trustee, custodian, or similar agent appointed by order of any court or competent jurisdiction to take charge of or sell any material portion of its property or business.

8.4 Effect of Termination. (i) **Access.** Upon termination or expiration, all Subscriptions shall be automatically canceled, and Customer shall no longer have access to the Software or to Applications other than as provided in Section 8.4(ii). (ii) **Customer Applications and Customer Content.** Customer is entitled to (1) detach a copy of its Applications ("Detachment") in source code format and (2) obtain its Customer Content, in each case subject to the specifications and limitations described in the Documentation. Customer must provide written notice to OutSystems of its request for Detachment, pay all remaining Fees due and payable under the Agreement, and complete the Detachment process following instructions to be provided by OutSystems, in each case within 30 days following the end of the applicable Subscription Term, in order to Detach the Applications and obtain the Customer Content. Upon conclusion of the Detachment, the Customer will proceed with the subsequent de-installation and/or destruction of the Software. (iii) **Fees.** If OutSystems terminates this Agreement pursuant to Sections 8.2 ("Termination for Cause") or 8.3 ("Termination for Insolvency"), OutSystems shall invoice Customer all amounts that were accrued for the terminated Subscriptions prior to such termination, which were not previously invoiced, as well as all sums remaining unpaid under this Agreement. Customer will pay such invoices in accordance with the terms of this Agreement. In the event Customer terminates this Agreement pursuant to Sections 8.2 ("Termination for Cause") or 8.3 ("Termination for Insolvency") above, OutSystems shall refund Customer any prepaid Fees covering the remainder of the Subscription Term of any Subscription in effect, from the effective date of termination (amortized on a straight-line basis). In no event will termination relieve Customer of the obligation to pay all Fees due to OutSystems under this Agreement.

9.1 Software and Support Warranties. OutSystems represents and warrants that (i) OutSystems has all necessary rights to grant the licenses provided in this Agreement and the applicable Order; (ii) the Software shall operate in material compliance with the Documentation; and (iii) Support for the Software will be provided in accordance with the Support Terms. Upon such termination, OutSystems shall refund

In the event of a breach of the foregoing warranty, OutSystems shall, as its sole obligation and Customer's exclusive remedy, at OutSystems' sole option and expense, re-perform the applicable Professional Services in a manner that is compliant with such warrant, or, in the event OutSystems is unable to do so after using commercially reasonable efforts, terminate all or part of the applicable Order. Upon such termination, OutSystems shall refund Customer all Fees paid for the non-compliant Professional Services. Claims under the foregoing warranty must be submitted by Customer in writing within 30 days of the performance of such Professional Services, unless otherwise specified in the applicable Statement of Work.

9.3 Security Warranty. OutSystems will implement and maintain administrative, physical and technical safeguards to protect Customer Content that are no less rigorous than the Information Security and Business Continuity Terms and Conditions described at <https://security.outsystems.com/?itemName=legal&source=click>.

9.4 CUSTOMER RESPONSIBILITY FOR ITS APPLICATIONS AND SYSTEMS. Customer has and will retain sole responsibility for: (a) the collection, accuracy, and use of Customer Data and Personal Data in Applications; (b) the operation and security of Customer's information technology infrastructure which integrates or interacts with Applications, including computers, software, databases, systems, and networks, whether operated directly by Customer or through the use of third-party services ("Customer Systems"); (c) the use and security of access credentials to Applications granted by Customer to its authorized users ("Customer Access Credentials"); and (d) access to and use of Applications through Customer Systems or Customer Access Credentials.

9.5 DISCLAIMER OF WARRANTIES. OUTSYSTEMS DOES NOT WARRANT THAT THE SOFTWARE, SUPPORT, PROFESSIONAL SERVICES, OR DELIVERABLES WILL BE UNINTERRUPTED, ERROR-FREE, OR COMPLETELY SECURE FROM MALICIOUS ATTACKS BY THIRD-PARTIES. CUSTOMER ACKNOWLEDGES THAT THERE ARE RISKS INHERENT IN INTERNET CONNECTIVITY THAT COULD RESULT IN THE LOSS OF CUSTOMER'S PRIVACY, CONFIDENTIAL INFORMATION AND/OR CUSTOMER CONTENT. EXCEPT AS SET FORTH IN SECTION 9 ("WARRANTIES") AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, OUTSYSTEMS PROVIDES THE SOFTWARE, SUPPORT, PROFESSIONAL SERVICES, AND DELIVERABLES "AS IS", WITHOUT WARRANTY OF ANY KIND, INCLUDING BUT NOT LIMITED TO, EXPRESS, IMPLIED STATUTORY OR OTHER WARRANTIES OR CONDITIONS, INCLUDING WARRANTIES OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, AND THOSE ARISING OUT OF COURSE OF DEALING, USAGE, OR TRADE. CUSTOMER SHALL HAVE SOLE RESPONSIBILITY FOR THE ACCURACY, QUALITY, INTEGRITY, LEGALITY, RELIABILITY, APPROPRIATENESS AND OWNERSHIP OF ALL CUSTOMER CONTENT AND APPLICATIONS.

10 INDEMNIFICATION

10.1 INDEMNIFICATION BY OUTSYSTEMS. DURING THE SUBSCRIPTION TERM, OUTSYSTEMS WILL DEFEND, OR AT ITS OPTION SETTLE, AT ITS OWN EXPENSE ANY THIRD-PARTY ACTION AGAINST CUSTOMER, AND PAY ALL DAMAGES AWARDED AGAINST CUSTOMER, OR THAT ARE AGREED TO IN A SETTLEMENT, TO THE EXTENT THE THIRD-PARTY ACTION IS BASED UPON A CLAIM THAT THE SOFTWARE OR DELIVERABLES INFRINGE ANY VALID AND ENFORCEABLE COPYRIGHT OR PATENT OF SUCH THIRD PARTY (AN "INFRINGEMENT CLAIM"). OUTSYSTEMS WILL PAY THOSE COSTS AND DAMAGES FINALLY AWARDED AGAINST CUSTOMER IN ANY SUCH THIRD-PARTY ACTION THAT ARE SPECIFICALLY ATTRIBUTABLE TO AN INFRINGEMENT CLAIM, OR THOSE COSTS AND DAMAGES AGREED TO IN A MONETARY SETTLEMENT OF AN INFRINGEMENT CLAIM. NOTWITHSTANDING THE FOREGOING, OUTSYSTEMS WILL HAVE NO OBLIGATION UNDER THIS SECTION 10.1 OR OTHERWISE WITH RESPECT TO ANY INFRINGEMENT CLAIM BASED UPON (I) ANY APPLICATION, (II) ANY DELIVERABLE TO THE EXTENT BASED ON COMPLIANCE WITH CUSTOMER'S INSTRUCTIONS OR TECHNICAL SPECIFICATIONS, (III) ANY UNAUTHORIZED USE, REPRODUCTION, OR DISTRIBUTION OF THE SOFTWARE OR DELIVERABLES BY CUSTOMER OR ANY OF ITS SUB-DISTRIBUTORS OR END USERS, (IV) ANY USE OF THE SOFTWARE OR DELIVERABLES IN COMBINATION WITH OTHER PRODUCTS, EQUIPMENT, SOFTWARE, OR DATA NOT SUPPLIED BY OUTSYSTEMS, (V) ANY USE FOR A PURPOSE OR IN A MANNER

IF THE SOFTWARE OR ANY OF THE DELIVERABLES BECOMES, OR IN OUTSYSTEMS' OPINION IS LIKELY TO BECOME, THE SUBJECT OF A CLAIM COVERED BY THIS SECTION 10.1, OUTSYSTEMS MAY, AT ITS OPTION AND EXPENSE, EITHER (I) PROCURE FOR CUSTOMER THE RIGHT TO CONTINUE EXERCISING THE RIGHTS LICENSED TO CUSTOMER IN THIS AGREEMENT, (II) REPLACE OR MODIFY THE SOFTWARE OR DELIVERABLES SO THAT IT BECOMES NON-INFRINGEMENT AND REMAINS FUNCTIONALLY EQUIVALENT, OR (III) TERMINATE THE SUBSCRIPTION BY WRITTEN NOTICE TO CUSTOMER AND REFUND TO CUSTOMER ANY PREPAID PAYMENTS COVERING THE REMAINING SUBSCRIPTION TERM. SECTION 10.1 STATES OUTSYSTEMS' ENTIRE LIABILITY AND CUSTOMER'S SOLE AND EXCLUSIVE REMEDIES IN RESPECT TO ANY ACTUAL OR ALLEGED CLAIM OF INTELLECTUAL PROPERTY RIGHTS INFRINGEMENT OR MISAPPROPRIATION.

CUSTOMER WILL DEFEND, OR AT ITS OPTION SETTLE, AT ITS OWN EXPENSE ANY THIRD-PARTY ACTION AGAINST OUTSYSTEMS, AND PAY ALL DAMAGES AWARDED AGAINST OUTSYSTEMS, OR THAT ARE AGREED TO IN A SETTLEMENT, TO THE EXTENT THAT THE THIRD-PARTY ACTION ALLEGES THAT CUSTOMER CONTENT OR APPLICATIONS INFRINGE ANY VALID AND ENFORCEABLE INTELLECTUAL PROPERTY RIGHTS OF A THIRD PARTY.

10.3 CONDITIONS. THE FOREGOING OBLIGATIONS ARE CONDITIONED ON THE INDEMNIFIED PARTY (I) NOTIFYING THE INDEMNIFYING PARTY PROMPTLY IN WRITING OF SUCH THIRD-PARTY ACTION, (II) GIVING THE INDEMNIFYING PARTY SOLE CONTROL OF THE DEFENSE THEREOF, AND ANY RELATED SETTLEMENT NEGOTIATIONS, AND (III) AT THE INDEMNIFYING PARTY'S REASONABLE REQUEST AND EXPENSE, ASSISTING IN SUCH DEFENSE. THE INDEMNIFIED PARTY'S COUNSEL WILL HAVE THE RIGHT TO PARTICIPATE IN THE DEFENSE OF THE CLAIM, BEYOND ASSISTANCE REQUESTED BY THE INDEMNIFYING PARTY, AT THE INDEMNIFIED PARTY'S EXPENSE.

11 LIMITATION OF LIABILITY

11.1 MUTUAL EXCLUSION OF LIABILITY. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER FOR ANY LOSS OF USE, LOSS OF DATA, INTERRUPTION OF BUSINESS, OR ANY INCIDENTAL, INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES (INCLUDING WITHOUT LIMITATION LOSS OF PROFITS, GOODWILL OR MARKET CAPITALIZATION, OR COST OF PROCUREMENT OF REPLACEMENT GOODS OR SERVICES) ARISING FROM THIS AGREEMENT, WHETHER UNDER THEORY OF CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, EVEN IF A PARTY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES IN ADVANCE.

11.2 OUTSYSTEMS EXCLUSION OF LIABILITY. OUTSYSTEMS WILL NOT BE LIABLE FOR: (i) CUSTOMER'S INABILITY TO USE THE SUBSCRIPTION OR DELIVERABLES AS A RESULT OF ANY VALID TERMINATION OR SUSPENSION OF THE SUBSCRIPTION OR PROFESSIONAL SERVICES PURSUANT TO THE TERMS OF THIS AGREEMENT; OR (ii) ANY UNAUTHORIZED ACCESS TO, DAMAGE OR ALTERATION TO, DELETION OR DESTRUCTION OF, OR FAILURE TO STORE OR BACKUP, CUSTOMER CONTENT DUE TO CUSTOMER'S NEGLIGENT ACTS OR OMISSIONS.

11.3 TOTAL AGGREGATE LIABILITY.

GENERAL. NOTWITHSTANDING ANY OTHER PROVISION IN THIS AGREEMENT (AND EXCLUDING PROFESSIONAL SERVICES, ADDRESSED IN THE SECTION BELOW), EACH PARTY'S TOTAL AGGREGATE LIABILITY UNDER THIS AGREEMENT AND THE OTHER PARTY'S EXCLUSIVE REMEDY FOR ANY CLAIM OF ANY TYPE WHATSOEVER SHALL BE LIMITED TO DIRECT DAMAGES IN AN AMOUNT NOT TO EXCEED THE AMOUNTS DUE OR PAID TO OUTSYSTEMS UNDER THIS AGREEMENT DURING THE 12 MONTHS IMMEDIATELY PRECEDING THE DATE OF THE CLAIM.

PROFESSIONAL SERVICES. OUTSYSTEMS' TOTAL AGGREGATE LIABILITY AND CUSTOMER'S EXCLUSIVE REMEDY FOR ANY CLAIM OF ANY TYPE WHATSOEVER, ARISING OUT OF PROFESSIONAL SERVICES PROVIDED UNDER THIS AGREEMENT, SHALL BE LIMITED TO DIRECT DAMAGES IN AN AMOUNT NOT TO EXCEED THE AMOUNTS PAID TO OUTSYSTEMS FOR THE PROFESSIONAL SERVICES UNDER THE APPLICABLE ORDER.

11.4 EXCLUSIONS. THE LIMITATIONS OF LIABILITY SET FORTH IN SECTION 11.3 WILL NOT APPLY TO A PARTY'S INDEMNIFICATION OBLIGATIONS OR DIRECT DAMAGES DUE AS A RESULT OF EITHER PARTY'S FRAUD, GROSS NEGLIGENCE, OR WILLFUL MISCONDUCT.

11.5 FORCE MAJEURE. No Party shall be liable for, or considered to be in breach of this Agreement on account of, any failure or delay in

OUTSYSTEMS MASTER SUBSCRIPTION AGREEMENT

performance of any of its obligations under this Agreement if such failure or delay is due to acts of God, fires, flood, storm, explosions, earthquakes, acts of war or terrorism, riots, insurrection, pandemic, intervention of any government or authority, events expressly specified as force majeure in the Support Terms, or any other reason where the failure to perform is beyond the reasonable control of and not caused by the negligence or intentional acts or omissions of the non-performing Party.

THE PROVISIONS OF THIS SECTION 11 ALLOCATE RISKS UNDER THIS AGREEMENT BETWEEN CUSTOMER AND OUTSYSTEMS. OUTSYSTEMS' FEES FOR THE SUBSCRIPTION AND/OR PROFESSIONAL SERVICES REFLECT THIS ALLOCATION OF RISKS AND LIMITATION OF LIABILITY.

12 GENERAL PROVISIONS

12.1 Entire Agreement. This Agreement, including all addenda (if any) and all Orders, constitutes the entire agreement between the Parties with respect to the subject matter hereof, and supersedes and replaces all prior or contemporaneous understandings or agreements, written or oral, regarding such subject matter. No amendment to, supplement or modification of this Agreement will be binding unless in writing and signed by duly authorized representatives of both Parties, except that OutSystems reserves the right at any time to update any terms and conditions referenced in this Agreement by means of a hyperlink, to reasonably reflect the forward evolution of its operating processes to remain in line with industry standards and improvements to the Software. None of these updates will materially diminish the rights and obligations of Customer under this Agreement or any hyperlinked document. The Customer acknowledges and agrees that it has had the opportunity to review all the documents contained in a URL prior to executing this Agreement, which it can print for its internal records. In the case of conflicts, discrepancies, errors or omissions among the Agreement, any addenda, and any Order and/or Statement of Work, the documents and amendments to them shall take precedence and govern in the following order: (a) any Order and/or Statement of Work (with respect to that Order and/or Statement of Work only); (b) addenda (if any); and (c) this Agreement.

12.2 Headings. The caption and the headings to clauses, sections, parts, paragraphs, and Orders are inserted for convenience only and shall be ignored in interpreting this Agreement.

12.3 Contracting OutSystems Company, Governing Law and Jurisdiction. The webpage available at www.outsystems.com/legal/governing-law-jurisdiction sets forth, based on where Customer is domiciled: (a) the OutSystems entity with which Customer is contracting under this Agreement and to which Customer should direct notices pursuant to Section 12.6 ("Notices") of this Agreement; (b) the governing law applicable to this Agreement, including any lawsuit or disputes arising out of or in connection with it, without giving effect to any choice or conflict of law provision or rule; and (c) which courts can adjudicate any such lawsuit. The Parties agree that neither the Uniform Computer Information Transaction Act nor the United Nations Convention for the International Sale of Goods will apply to this Agreement.

12.4 Compliance with Laws. The Parties agree that, in connection with the performance of this Agreement, each Party shall comply with all laws applicable to such Party's respective performance under this Agreement, including without limitation all applicable anti-corruption laws, anti-money laundering laws, antitrust laws, economic sanctions laws, export control laws, data protection and data privacy laws, and modern slavery and human trafficking laws.

12.5 Export and Sanctions Laws. Customer agrees that Customer's use of the Software (including related Documentation) and Professional Services will comply with all applicable export control and trade sanctions laws, rules and regulations, including the regulations promulgated by the U.S. Department of Commerce's Bureau of Industry and Security ("BIS") and the U.S. Department of the Treasury's Office of Foreign Assets Control ("OFAC") (collectively, "Export Laws"). Customer represents and warrants that neither Customer nor its authorized users are (i) located or resident in a country or territory that is subject to comprehensive U.S. or E.U. trade sanctions or other significant trade or export restrictions (including, without limitation, Cuba, Iran, North Korea, Russia, Belarus, Syria, and the Crimea, Donetsk People's Republic, and Luhansk People's Republic regions of Ukraine) (collectively, the "Sanctioned Countries"); or (ii) identified on any U.S. government restricted party lists (including without limitation the Specially Designated Nationals and Blocked Persons List, Foreign Sanctions Evaders List, and Sectoral Sanctions Identifications List, administered by OFAC, and the Denied Party List, Entity List and Unverified List, administered by BIS) (collectively, the "Restricted Party Lists"). Customer further certifies that Customer will not, directly or indirectly, export, re-export, transfer or otherwise use the Software (nor any direct product thereof) and/or the Professional Services in violation of the Export Laws, or with any purpose prohibited by the same Export Laws, in any Sanctioned Country, to any person or entity on a Restricted Party List, or for any nuclear, chemical, missile or biological weapons related end uses. Customer acknowledges that the Software and/or Professional Services, or any

feature or part thereof, may not be available for use in all jurisdictions. Notwithstanding Section 8.2 ("Termination for Cause") above, OutSystems shall have the right to terminate this Agreement, without notice and without liability, for any breach of this clause.

12.6 Notices. Any notice, consent, approval, or other communication intended to have legal effect to be given under this Agreement ("Notices") must be in writing and will be delivered (as elected by the Party giving such notice): (i) if provided to OutSystems, by email to legal@outsystems.com, or if provided to Customer, to the email address of the Customer provided in the Order under the "ship to" address; (ii) by registered mail; or (iii) by overnight courier with proof of signature upon delivery. Unless otherwise provided in this Agreement, all Notices will be deemed effective on the date of receipt (or if delivery is refused, the date of such refusal) if delivered by registered mail and at 9:00 am of the next business day after the date of the transmission by email. Notices under this Agreement will be sent to the contact and addresses set forth in the signature sections of this Agreement and/or in the applicable Order. Either Party may change the address to which Notices shall be sent by giving Notice to the other Party in the manner provided in this Section 12.6. Notices shall be written in the English language.

12.7 Relationship of Parties. The Parties are independent contractors, not agents, employees or joint ventures of one another, and do not have any authority to bind the other Party, by contract or otherwise, to any obligation. Neither Party will represent to the contrary, either expressly, implicitly, by appearance or otherwise.

12.8 Assignment. This Agreement is not assignable or transferable by either Party without the prior written consent of the other Party, which shall not be unreasonably withheld, except that either Party may freely assign or transfer this Agreement to any company that is an Affiliate or as a result of a merger or a sale of all or a substantial part of its assets or share capital. If the permitted assignment or transfer by a Party is to a direct competitor of the other Party, such other Party may terminate this Agreement upon written notice, subject to, as applicable, payment by Customer of all Fees due up through the effective date of such termination or refund by OutSystems of any portion of prepaid Fees which relate to the period after the effective date of such termination. In the case of any permitted assignment or transfer of or under this Agreement, the assigning or transferring Party will provide Notice to the other Party promptly following such assignment or transfer and this Agreement and any existing Orders and Statements of Work shall be binding upon, and inure to the benefit of, the assignees, transferees, successors, executors, heirs, representatives, and administrators of the Parties to this Agreement. A permitted assignment or transfer by Customer of an active Order will be limited to the Applications which were deployed by Customer in production at the time of the assignment or transfer and, if the Subscription was unlimited in volume in any respect, to the volume of use of those Applications in effect at that time. Any attempt by either Party to assign or transfer this Agreement in violation of this Section 12.8 shall be void.

12.9 Severability. If for any reason a court of competent jurisdiction finds any provision of this Agreement (including all Orders and addenda, if applicable), or portion thereof, to be unenforceable, that provision of the Agreement will be enforced to the maximum extent permissible so as to affect the intent of the Parties, and the remainder of this Agreement or of the provision will continue in full force and effect, except to the extent such invalid provision or part of provision relates to essential aspects of the Agreement. The parties agree that such provision or portion thereof shall be substituted by a provision with an equivalent legal and economic effect.

12.10 Waivers of Rights. No waiver will be implied from conduct or failure to enforce or exercise rights under this Agreement, nor will any waiver be effective unless in writing signed by a duly authorized representative on behalf of the Party claimed to have waived. No provision of any purchase order or other form employed or provided by Customer will supersede the terms and conditions of this Agreement and any Order executed with Customer, and any such document relating to this Agreement and any Order shall be for administrative purposes only and shall have no legal effect other than to evidence Customer's acceptance of any Order.

12.11 Attribution. Customer agrees that OutSystems may use Customer's name and logo and indicate that Customer is a client of OutSystems on its website, in any public filings and through its marketing materials, including but not limited to press releases, case studies, white papers and webinars. Any such attribution will be consistent with Customer's style guidelines or requirements as communicated to OutSystems from time to time.

12.12 Survival. Clauses and/or Sections 3.2 ("Restrictions of Use"), 6 ("Intellectual Property Rights, Ownership and Title"), 7 ("Confidentiality"), 8.4 ("Effect of Termination"), 9.5 ("Disclaimer of Warranties"), 10 ("Indemnification"), 11 ("Limitation of Liability"), and 12 ("General Provisions") of this Agreement shall survive termination, without prejudice to other obligations that, pursuant to the applicable law or to this Agreement, shall also remain in force after termination date.
